1800 FOOT SAND STRUCK IN WELL AT VERNON, TEXAS

IN WELL AT VERNON, TEXAS Vernon, Texas, March 19.—An 1899 foot amnd has been encountered in the Federal Oil company's well in section 30, hook 8. The well is shurt down for orders. It is estuated in Wilburger county near the Piper lesse, and is the first well in the district to strike a sund at 1890 fast. An estimate of the well's production has not been made, but it is believed that the well will show up good. Pipe lines have been connected. The Texas Pipe Lines company has finished its naw line is this wicinity. It will be used to pump production to the Waggoner Relinery from the Baker lease.
